PSALM 34:15-22

15 The eyes of the LORD are upon the righteous, *
and his ears are open to their cry.

16 The face of the LORD is against those who do evil, *
to root out the remembrance of them from the earth.

17 The righteous cry, and the LORD hears them *
and delivers them from all their troubles.

18 The LORD is near to the brokenhearted *
and will save those whose spirits are crushed.

19 Many are the troubles of the righteous, *
but the LORD will deliver him out of them all.

20 He will keep safe all his bones; *
not one of them shall be broken.

21 Evil shall slay the wicked, *
and those who hate the righteous will be punished.

22 The LORD ransoms the life of his servants, *
and none will be punished who trust in him.

On Sunday, September 12, after the 10 a.m. service, Epiphany will have a Ministry Fair. To be the church in the world and to encourage lay leadership and participation in worship, we need your participation. Help our church become all that it can be!

DONATIONS FOR HAITI FUND

On Saturday, August 14, a 7.2 magnitude earthquake struck the southwest portion of Haiti. Tropical Storm Grace followed this devastating earthquake on Monday night and much of Tuesday. More than 1 million people, including more than half a million children, have been impacted by the back-to-back disasters, and the death toll is close to 2000. Episcopal Relief & Development and its partners respond immediately with direct assistance to vulnerable households in the region as partners plan long-term recovery. Your generous gift can assist in helping people in the wake of these disasters. To assist in these efforts, donate today. Cash or checks made payable to Epiphany with ERD Haiti in the memo line. Donations can be given to Karen James during coffee hour or sent to the office this week.

From time to time, we receive thank you notes from the organizations we support. We are proud of our community of volunteers who generously give their time, talent, and treasures to help those in need. Below is a note from Holy Family Adoption & Foster Care:

RED DOOR VINEYARD

HARVEST IS APPROACHING!

RIPENESS: The point when a grape has achieved a sufficient balance of sugars and acids. In recent years there has been an emphasis on developing the physiological ripeness of phenolic compounds in the grape such as tannin. Unlike sugar/acid ripeness, 'physiological ripeness' does not lend itself to a straight scale of measurement but rather is a complex concept that is not yet fully understood." ~ Glossary of Viticultural Terms

We're almost there! Our clusters this year are beautiful and have been netted to protect from vermin. We anticipate harvesting mid-August to early September and will need all the help we can get with this exciting and important process, which includes the crushing/destemming of our fruit. There are a number of different varieties in the vineyard, which might require different harvest dates. We will be reaching out for help as the fruit achieves peak ripeness. Please stay tuned - the grapes dictate when they are ready to be cut, and they never give us much notice.

Harvest allows us to witness God's bounty hands-on. We hope you will come out to help at some point during the process - it's good for the soul! *CHEERS*!
